UOBAM And Commerce International Merchant Bankers Bhd
Launch New Islamic Fund

06 July 2004, Singapore - UOB Asset Management Ltd, Singapore ("UOBAM") and Commerce International Merchant Bankers Berhad, Malaysia ("CIMB") today jointly launched the Afdaal Funds Series ("the Fund") that is domiciled in Labuan, Malaysia. The Afdaal Funds Series is also UOBAM's first Islamic Fund.

A US dollar denominated offshore unit trust, the Afdaal Funds Series is an umbrella fund from which the first sub-fund - the Afdaal Asia Pacific Equity Fund - was also launched today. The launch event, which took place in Labuan, was held in conjunction with the 1st International Labuan International Islamic Finance Conference. The Conference was attended by more than 300 international delegates and graced by the Honourable Tan Sri Dr Zeti Akhtar Aziz, Governor of Bank Negara Malaysia and Chairman of the Labuan Offshore Financial Services Authority.

In making its first push into Islamic finance, UOBAM has chosen to partner CIMB because of the latter's track record in the industry and its strong business relationships in the Middle East. For instance, CIMB - together with the Kuala Lumpur-based Navis Capital Partners - successfully launched their first Asia-based regional Islamic private equity fund recently.

Both institutions will leverage on each other's core strengths in managing the Fund. UOBAM will bring its asset management expertise to the Fund, while CIMB will offer the experience of its well-established Islamic franchise - CIMB Islamic - as the Fund's Shariah advisor. CIMB's Shariah committee comprises eminent international Shariah scholars, namely, Associate Professor Dr Mohd Daud Bakar, Professor Dr Mohammad Hashim Kamali, Professor Hafiz Elsheikh Mohamed El Zaki and Associate Professor Dr Engku Rabiah Adawiah Engku Ali.
Said Mr Daniel Chan, Managing Director & Chief Investment Officer of UOBAM, "This is the second ethical fund that UOBAM is managing, the first being the United Global UNIFEM Singapore Fund. Islamic banking and finance is a rapidly growing industry and we are delighted to have the opportunity to partner CIMB who is one of the leading institutions in this field in the region. Besides the launch of this Fund, we intend to explore other ways of tapping this rapidly growing pool of Islamic funds."

Added Mr Badlisyah A Ghani, Head of CIMB Islamic, "The launch of the Fund is timely, considering the increasing and greater interest shown by Middle East investors in the Asia-Pacific region.

"It is also in line with the Malaysian Government's strong support to develop Islamic banking and finance and its aim to promote Labuan as a premier Islamic offshore fund and asset management centre."

Demand for Islamic financial products has been expanding rapidly in the region, growing at an estimated 20% annually worldwide. The global Islamic market is believed to be worth some USD250 billion, with funds of about USD70 billion under management.
